We're so excited to be a part of your Neighborhood Celebration. It's going to be great! Whether its a neighborhood party or a hot summer day, give your neighbors our tasty Pav's treats. After all, life's too short for ordinary ice cream.

Neighborhood Rentals

Being able to get your favorite treats right outside your door has never been so easy! Book the Pav's Creamery Food Truck to come to your neighborhood and serve from 6pm - 8pm. We will provide 7 tasty flavors for you and your neighbors to choose from! Make it a milkshake, sundae, or a classic cone, whatever you choose is going to be delicious.

When booking the Pav's Creamery food truck for a neighborhood, you will need to provide a \$50 deposit that you will get back after the event. We will also need a point of contact, name of your neighborhood, how many houses are in the neighborhood, and where to park when we arrive.

There is a 50 house minimum.

The neighborhood must be within 20 miles of the Pav's Green location.

A \$50 deposit is required to save the date, and will be returned.
